## The Dollar Academy Curriculum

Throughout the school, full descriptions of courses are available and, should you require further details on any aspect of our curriculum, please do not hesitate to contact the appropriate Head of School, or consult the departmental pages on the website. The exact format for this academic year will be established after choices are finalised for the new session. The principles in operation will remain the same and the viability of all courses is dependent on demand. The hours spent each week on each subject are indicated in the table below.
