Dear Parent

DRUMMING TUITION

Drumming continues to be as popular an interest as ever at the Academy with individual and band successes bringing great publicity and enjoyment to the pupils and the Academy. Your child has shown an interest in learning one of the drums used by the Pipe Band. To help, I enclose some information that might prove useful.

For the session 2023-24 tuition costs, for individual lessons will be £259.90 per term. Pupils will require their own drum sticks, cost approximately £12 for side drum sticks or £37 for tenor mallets, and are encouraged to purchase their own practice pad, cost approximately £19. Drums are provided but as with the bagpipes, pupils would benefit by having their own instrument and drum carrier. To take advantage of discounts available to the school and to ensure the correct quality of percussion equipment is being bought, please contact myself.

Band practices are also run but as a co-curricular activity with no cost to pupils, funds being provided jointly by the school and the CCF. All drummers are strongly encouraged to attend these additional classes.

If you wish your son/daughter to take-up drumming tuition would you please complete the attached pro forma and return it, to me, as soon as possible.

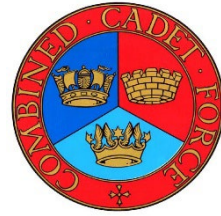

If you have any questions regarding drumming tuition, please do not hesitate to contact me.

Yours sincerely

Craig Stewart
Master i/c Pipe Band
