Dear Parent

### **PIPING TUITION**

Piping continues to be as popular an interest as ever at the Academy with individual and band successes bringing great publicity and enjoyment to the pupils and the Academy. Your child has shown an interest in learning the Bagpipes. To help, I enclose some information that might prove useful.

For the session 2023-2024 individual tuition costs will be £259.90 per term, or divided equally between the number of pupils involved in the lesson. The Academy will provide practice chanter, tuition book and music. Bagpipes are also provided but as with the chanter, pupils are encouraged to purchase their own instruments after all parties are satisfied with the progress being made. To take advantage of discounts available to the school and to ensure the correct quality of instrument is being bought, please contact me.

Larger group and band practices are also run but as a co-curricular activity with no cost to pupils, funds being provided jointly by the school and the CCF. All pipers are strongly encouraged to attend these additional classes.

If you wish your son/daughter to take-up piping tuition would you please complete the attached pro forma and return it, to me, as soon as possible.

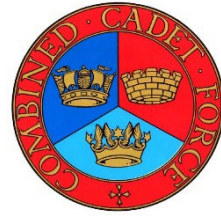

If you have any questions regarding piping tuition, please do not hesitate to contact me.

Yours sincerely

Craig Stewart  
Master i/c Pipe Band
