August 2026

Dear Parent

PIPING & DRUMMING TUITION

Piping and Drumming continue to be as popular an interest as ever at the Academy with individual and band successes bringing great publicity and enjoyment to the pupils and the Academy. If your child has shown an interest in learning one of the instruments within the pipe band, please find some information that might prove useful.

For the session 2026-2027, individual tuition costs will be £350 per term. Lessons are taught on a one-to-one basis on campus and as pupils progress, they will be invited to attend group sessions and subsequently band practices. Our lessons are delivered by some of the finest instructors with a wealth of experience in their field.

If you wish your son/daughter to take-up Piping or Drumming tuition and be added to our waiting list, then please complete the attached form and return it, to me, as soon as possible. Once a space becomes available, I will write to you with a permission form and timetable.

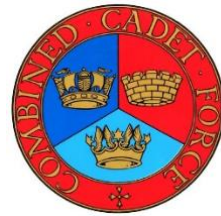

If you have any questions regarding piping or drumming tuition, please do not hesitate to contact me at Dollarpipeband@dollaracademy.org.uk

Yours sincerely

Matt Wilson
Head of Pipe Bands
